

PEFINDO CREDIT RATING INDONESIA

PRESS RELEASE  
August 12, 2011

## PT Agung Podomoro Land Tbk.

PEFINDO affirmed “**idA**” on the corporate rating of PT Agung Podomoro Land Tbk. (APLN or the Company) and its proposed Bond I/2011, which is planned to be increased to IDR1.2 trillion from IDR800 billion. The bond upsizing is expected not to significantly affect the Company’s financial profile as it will be compensated by lower amount of bank loan to be acquired. The outlook for the corporate rating is “**stable**”. The proceeds of the Bond will be fully dedicated for APLN’s acquisition of companies owning projects in real estate industry, which may include apartments, hotels, offices, shops, malls, recreation centers, and/or housing. The ratings reflect APLN’s strong business position in property industry, especially in high-rise residential, and its above average asset quality. However, the strengths are constrained by APLN’s high dependency on property sales which is sensitive to macroeconomic condition and higher financial leverage level in the near term to finance its business expansion.

APLN is a part of Agung Podomoro Group (the Group), the leading developer of high-rise residential targeting middle income segment. The Group has supplied around 50% of high-rise residential in Jakarta during the last ten years. APLN’s iconic property projects include Podomoro City, a superblock in West Jakarta and Senayan City, a luxurious mall in Central Jakarta. The Company conducted Initial Public Offering for 30% of its shares in November 2010. As of March 31, 2011, the Company’s shareholders were PT Indofica (with 47.29% ownership), PT Jaya Lestari Persada (14.68%), PT Simfoni Gema Lestari (5.07%), Trihatma Kusuma Haliman (3.03%), Board of Directors and Commissioners (0.07%) and public (29.86%).

Rating Period: August 9, 2011 – June 1, 2012
