### PT Komatsu Astra Finance rated "idAA+" with stable outlook

PEFINDO has assigned its "idAA+" rating to PT Komatsu Astra Finance (KAF). The outlook for the rating is "stable".

An obligor rated idAA differs from the highest-rated obligors only to a small degree, and has a very strong capacity to meet its long-term financial commitments relative to those of other Indonesian obligors. The plus (+) sign indicates that the rating is relatively strong within its category.

The rating reflects KAF's status as a strategic subsidiary of its ultimate shareholders, Komatsu Limited, Japan (Komatsu) and PT Astra International Tbk (Astra), its strong market position in the heavy equipment leasing business, and very strong capitalization. The rating is constrained by its concentrated financing portfolio and the inherent risks of exposure to coal price fluctuations.

The rating may be raised if KAF strengthens its market position substantially and consistently, while maintaining its strong financial profile. However, it may be lowered if there is a material shift in the support of the Company's shareholders, particularly a significant decline in the ownership level of and/or business integration with the Astra Group. The rating may also be lowered if there is a material deterioration in the Company's asset quality or profitability.

KAF is a financing arm of Komatsu and Astra groups, focusing primarily on financing leases of Komatsu heavy equipment. It is a 50:50 joint venture company between PT Komatsu Indonesia, a direct subsidiary of Komatsu Limited, Japan (rated A/stable by Standard and Poor's) and PT Sedaya Multi Investama, a direct subsidiary of PT Astra International Tbk (rated BBB+/negative by Standard and Poor's).
